WORK EXPERIENCE

Flutter Developer   02/2024 - 05/2024
ERE Business Solutions Pvt. Ltd.

- Contributed to the development and optimization of Flutter apps with an emphasis on performance and responsiveness.
- Supported senior engineers in crafting intuitive and scalable mobile solutions.
- Performed thorough testing and debugging to uphold software quality and reliability.
- Explored and integrated innovative Flutter features to enhance app functionality.
- Partnered with UI/UX designers to improve visual appeal and user interaction.

Flutter Developer Intern   07/2023 - 02/2024
Luminar Technolab

- Acquired practical knowledge of Flutter and Dart through real-world mobile app projects.
- Designed and implemented scalable mobile features to support long-term app growth.
- Produced readable, maintainable code aligned with industry standards and clean architecture principles.
- Identified and resolved performance bottlenecks to deliver smooth and responsive user experiences.

PROFESSIONAL TRAINING

- MERN Stack Web Development
- Android Flutter App Development

SKILLS

- **Language:**
  JavaScript, Dart, HTML5, CSS3, JSON

- **Frameworks/Libraries:**
  Flutter,React.js, Express.js, Node.js, Mongoose, Redux, React Router

- **Tools:**
  Git & GitHub, Firebase, REST APIs, Postman, Vite, NPM, VS Code, Android Studio

- **Databases:**
  MongoDB

- **Platforms:**
  Android, iOS, Web

- **Soft Skills:**
  Communication, Teamwork, Time Management, Self-Motivation

PROJECTS

TASK MANAGEMENT

- Developed a full-stack task management web application using MERN stack.
- Implemented key features such as CRUD operations, pagination, and search.
- Utilized React.js, Node.js, Express.js, and MongoDB to create a scalable application.
- Added advanced features to enhance user experience and data visualization.

FOOD ON RAILWAY

- Developed the frontend of a railway food delivery app using Flutter.
- Designed a clean, responsive UI for browsing menus and placing orders.
- Created reusable widgets for food items, categories, and order summaries.
- Integrated real-time order tracking UI for a better user experience.
- Applied consistent theming and custom styling to match the app's branding.
- Added animations and loading indicators for smooth user interaction.
- Optimized UI for different screen sizes using MediaQuery and LayoutBuilder.
